

3 : 30u"

Technical drawing of a 4x4 metal plate. The drawing shows a top-down view of the plate with dimensions in millimeters. The overall width is 8.94 mm. The overall height is 5.80 mm. The plate has four mounting holes, each with a diameter of 1.15 mm. The distance between the centers of the holes is 4.80 mm (2x). The distance from the center of a hole to the edge of the plate is 7.50 mm. The thickness of the plate is 0.12 mm. The distance from the center of a hole to the edge of the plate is 0.50 mm (4x).

Technical drawing of a mechanical part, likely a valve or actuator. The drawing shows a cross-section of the component. A dimension line indicates a height of 2.13 units for the main body. Another dimension line indicates a total height of 6.65 units, including the base. A red dashed line is drawn through the center of the component, and a red arrow points to the top surface.

2.Shell: Nickel under Plated surface layer
